

IGS-AISAT AWARD

Best M.Tech Thesis in Geotechnical Engineering in Kerala State - 2017

Introduction

The main objective of the IGS –AISAT award competition, conducted annually for the M.Tech Civil Engineering students of Kerala state is to promote research in the area of Geotechnical Engineering. It also provides them a platform to showcase their final year M.Tech thesis, done as a part of the curriculum, to a larger sector of the society including industry professionals. This event will also help them to interact with other innovative minds and get access to latest developments in civil engineering.

About the award

This award instituted jointly by Indian Geotechnical Society (IGS) and Albertian Institute of Science and Technology (AISAT) is to promote research in the area of Geotechnical Engineering at post graduate level in Kerala State.

Eligibility

Students of Civil Engineering who are doing M.Tech Thesis work on topics related to Geotechnical Engineering and who expect to complete their work in May 2017 in the state of Kerala can participate in this award by sending one soft copy of their M.Tech Thesis/ two page abstract to the **Convenor, IGS-AISAT award by June 19, 2017.**

Candidates interested in participation should take approval in writing from their Head of Department in the prescribed format. The entries must be accompanied by complete details filled in the Registration Form.

Details of the competition and award

The Award shall comprise of a citation for the best thesis of Kerala state and a cash prize of **Rs. 10,000/-** .

The theses submitted before the dead line will be examined by a scrutiny committee who will select the best 10 thesis. These 10 students will be invited to make a presentation of their work before the selection committee on Friday, **July 7, 2017.**

The candidates selected for presentation of thesis are required to come with the hard copy of thesis duly signed by the HOD & guide and the forwarding letter by the HOD to the convener, IGS-AISAT Award .

The selection committee will announce the names of the authors of the best five M.Tech projects of the state. Certificates of Merit will be issued to the best five theses submitted for award on the next day.

The winner of the IGS-AISAT Award best thesis will be announced and presented at the ceremony of Prof. Praphulla Kumar Lecture series scheduled tentatively on July 8, 2017.

Send soft copy of thesis & filled up form to :
