Happy New Year

PTA Inauguration and Open House

Prof. Mukundan Kutty addressing the audience during the PTA meeting

The first open house and PTA meet was held on November 3, 2012. The meeting started at 11.00 am with a prayer song. Prof. K. P. Mukundankutty pointed out the need for discipline in the studies and behaviour of the students in his welcome speech. He advised students to use text books for better results.

The presidential address was delivered by Dr. T. K. Mani, Principal AISAT. He congratulated the students on their performance in the sessional exam. Rev. Fr. Alex Kurisuparambil, Associate Manager AISAT distributed gifts to the students who secured more than 80% marks in the exams.

Rev. Dr. Clement Valluvassery, Manager ASIAT, emphasized on the vision of the college, the facilities

that we provide and the need for a collective effort by the students, the parents and the teachers for the best result for the exams. He quoted "Twenty can take a horse to water but twenty cannot make it drink". He undoubtedly pointed out that the students should act responsibly for their success and bring in name and fame to the college as our brand ambassadors.

In the Director's Address, Prof. Dr. Babu T. Jose, Director ASIAT, explained how we are a college with a difference. He elucidated the plans and practices which makes AISAT a college with difference. He highlighted his ideas which are the driving force of the college.

Prof. Anitha G. Pillai, Associate Professor, Dept. of Civil Engineering, spoke on behalf of the faculty.

She enumerated the remedial programs for the weaker students and clearly stated the need of enthusiasm from students and their parents for the success of such remedial measures.

Mr. Paul Ansel V., Assistant Professor Dept. of Electronics and Communication Engineering, introduced the plan to form a PTA for the close cooperation of parents and teachers of AISAT. At the end of the brief introduction, an election for executive members (parents) of the PTA was conducted. It was decided to have a representative from parents related to each branch.

The elected members are Mr. Jose Michael, Mr. Christopher Martin V. P., Mr. P. P. Joseph, Mr. George Varghese & Mr. A. H. Kunju Muhammed. The

elected members were called upon the stage and congratulated by the gathering.

The meeting came to an end with a vote of thanks proposed by Prof. Lovely Cherian, Vice-Principal AISAT. The meeting was adjourned after the National Anthem.

The parents were given an opportunity to meet the respective group advisors and faculty after the lunch. As each batch is having two group advisors, the parents were directed to meet the respective group advisors. After this they were given opportunity to meet the faculty handling the subjects for their wards. This process went up to 5.30 pm. The meeting with parents gave a clear feedback of their concerns and the faculty could answer many of their doubts. As a whole the event went through successfully.

Community Project

A team of nine students of Albertian Institute of Science and Technology (AISAT), Kalamassery along with some of the staff under the guidance of Dr. T. K. Mani, Principal of AISAT, executed a project on installing solar powered LED lights at fish farm in Cheryakadamakudy an island in Kochi on December 22, 2012. Dr. Babu T. Jose, the Director, Rev. Dr. Clement Valluvasery, the Manager, Rev. Fr. Alex Kurishuparambil,

the Associate Manager, AISAT graced the occasion with their presence and support. The current practice in the fish farm is to use traditional kerosene lamps or battery powered CFL lamps, both of which are cumbersome. The power stored in the installed battery is sufficient for 3 days usage. Three LED lights were installed. One LED is of 12W for attracting fish, a yard light of 3W were and finally an LED of 3W also installed in the cabin.

Glimpses of Community Project

Departmental Activities

Department Advisory Committee of the Department of Electronics and Communication Engineering and Department of Electrical and Electronics Engineering was held on December 8, 2012. The committee comprised Dr. Paul Joseph, Professor,

NIT Calicut, Dr. Lillykutty Jacob, Professor, NIT Calicut, Dr. Asha Elizabeth Daniel, Professor, SOE CUSAT, Dr. Rekha James, Associate Professor, SOE CUSAT and Dr. Varghese Paul (Dean CS/IT - Research CUSAT) along with faculty members of the both Departments.
