a) About HEI

About us:	College Profile
<p>1. Overview</p> <p>Albertian Institute of Science and Technology (AISAT), is an undertaking of the Archdiocese of Verapoly, that has a track record of centuries serving in the field of education. AISAT is affiliated to APJ Abdul Kalam Technological University, Thiruvananthapuram, approved by AICTE and ISO 9001:2015 certified.</p> <p>AISAT offers education in the field of engineering and technology and offers six UG and four Diploma (subject to approval from DTE Kerala) programs. Five of our UG programs are NBA accredited and it is a testament to the exceptional quality of education at AISAT. Our Institution is located in the industrial belt of Kochi city, fostering strong industry- institute interaction.</p> <p>AISAT has a well-structured infrastructure and the institution fosters holistic development by blending cognitive, psychomotor, and emotional learning to help students to become valuable members of society. AISAT ensures quality technical education delivering equal opportunity without discrimination.</p> <p>AISAT is managed by Educational & Charitable Trust of Archdiocese of Verapoly, having more than a century old tradition of catering to the General and Higher Education Institutions.</p> <p>Our Sister Institutions</p> <ol style="list-style-type: none">St. Albert's College (Autonomous), ErnakulamAlbertian Institute of Management (Autonomous), KochiSt. Teresa's College (Autonomous), ErnakulamSt. Xavier's College (Autonomous), AluvaSt. Paul's College, KalamasseryLourdes College of NursingLourdes College of Paramedical Sciences100s of schools and training centres

2. Vision

To be a centre of excellence to professional education and related services creating technically competent and ethically strong innovative minds committed to the overall growth of the nation and beyond

3. Mission

- We are committed to provide value-based education with ample opportunities for research and consultancy
- We take every possible step to enhance the skills and bring out quality professionals, providing a friendly and growth-oriented ambience with appropriate resources
- We improve ourselves through continuous evaluation and updation to meet the challenges and requirements of the modern society

4. Objectives

- To enhance academic excellence by consistently improving the curriculum and instructional methodologies that integrate theoretical knowledge with practical applications.
- To foster a culture of research and development through strong collaborations with industries and academic institutions, while cultivating an ecosystem for startup and innovation.
- To strengthen the institution's infrastructure and technological capacity to address real-world challenges, by integrating cutting-edge digital tools into teaching, learning, and research.
- To provide access to quality education for all while upholding inclusion, diversity, ethics, and social responsibility and to promote interdisciplinary learning through global partnerships, international student exchange programs, and faculty development initiatives.
- To focus on sustainability and incorporate green technologies and practices into engineering education and campus infrastructure.
